You are a helpful assistant. The following is a raw transcript from a YouTube video.
```

```
Your task is to lightly edit it so that it becomes a clean, well-structured, readable article.
```

⚠ IMPORTANT:

- Do NOT change or remove facts, names, or events.
- Do NOT invent or add content.
- Keep the original sequence and meaning.
- Your goal is only to improve grammar, punctuation, and structure for easier reading.

Transcript Part {i+1}:

```
\"\"\"{chunk}\"\""
```

Now rewrite this part as a readable article with paragraphs. Return only the text.
